

## “Summer Vacation” DVD ORDER FORM

The **recital** will be professionally digitally recorded! The following techniques will be used by our videography company:

- 2 digital video cameras, one for wide shots, one for close ups.
- Audio pick-ups AT the stage. NOT just from the back of the theatre.
- Digital editing with opening and closing titles.
- Available on VHS. Duplicated in-house to guarantee quality.
- Available on DVD. Includes menus and chapter points. Jump to your favorite scenes; just like a Hollywood DVD. (Plays on 99% of players; anything that can play a DVD-R.)
